

This is the current major project list for the PK – 12 Jackson Christian School System. (Small projects are not included.) Major projects are developed by the Management Team. The final list is determined by the school Superintendent. Major projects are those that have a direct impact on students and teachers and move the school forward towards completion of its strategic plan as determined by the school board in conjunction with the strategic planning committee.

Members of 100 Women Who Care- JCS Chapter - may select projects from this list that they would like to present to the members of 100 WWC. Three presenters will be drawn at the beginning of each meeting. Each presenter will have 5 minutes to talk about their favorite project. After the three presentations members will vote for the project they would most like to fund. The “winning” project will receive the proceeds from that meeting. Members are encouraged to gather info from the contact person listed, to be best prepared to make an effective presentation.

<i>Project /Cost/Target Date/Contact person for more info</i>	<i>Scope of Project</i>	<i>Who Will the Project Serve?</i>	<i>Long Range Impact</i>
<p><i>Band Instrument Replacement Project Phase I Replacement of most critical instruments. \$3573</i></p> <p><i>Replacement of aging instruments that are typically too expensive for families to purchase and are vital to the band.</i></p> <p><i>Music Teacher: Andrew Steck 517 783 2658 asteck@jacksonchristianschool.org</i></p>	<p><i>Bass Drum - \$1,035 Tenor Saxophone - \$1,568 Trombone (with f attachment) - \$970</i></p> <p><i>Prices reflect a 50% discount already negotiated with supplier</i></p>	<p><i>6th – 12th Grade Band Students and their families. These instruments are vital to the program however, they are typically owned by the school due to cost and size factors.</i></p>	<p><i>These instruments must be replaced to continue offering an outstanding band and music education experience. The school family benefits through outstanding concerts and competition results.</i></p>

<i>Project /Cost/Target Date/Contact person for more info</i>	<i>Scope of Project</i>	<i>Who Will the Project Serve?</i>	<i>Long Range Impact</i>
<p><i>Interwrite/ Smart Boards</i> <i>For remaining 4 classrooms on the HS/MS Campus</i> <i>(Can be considered separately)</i></p> <p><i>Each board is \$4,000</i> <i>Total Cost for all rooms \$16,000</i> <i>Jim Dolson</i> jdolson@jacksonchristianschool.org</p>	<p><i>Installation of Smartboard project in 4 classrooms will complete the project of having this technology in each classroom in the entire school system</i></p>	<p><i>HS English Room(Knowlton)</i> <i>HS Government/ History(Barsuhn)</i> <i>HS Bible(New teacher 11-12)</i> <i>MS Social Studies Room (Weitzel)</i></p>	<p><i>Smart board technology helps both faculty members and students fully utilize technology in the classroom to provide a variety of learning methods for daily instruction.</i></p>
<p><i>Flat screen mounted TV on both campus lobbys, for school announcements and wind turbine data reporting at the high school/middle school</i></p> <p><i>\$3800.00</i> <i>Jim Dolson</i> <i>783-2658</i> jdolson@jacksonchristianschool.org</p>	<p><i>Flat screens, laptop and software for both campuses to run school announcement info to provide reminders and improved communication. Also on the high school campus, information about the wind turbine speed, amount of energy generated, etc could be continuously displayed.</i></p>	<p><i>Entire school family including parents and students would be served by the system.</i></p>	<p><i>Both campuses would be served indefinitely by this project.</i></p>
<p><i>Athletic Department Bundle</i> <i>Athletic needs for volleyball and girls soccer</i></p> <p><i>\$4,200</i></p> <p><i>Bob Stanton</i> <i>783-2658</i> bstanton@jacksonchristianschool.org</p>	<p><i>Soccer goal nets replacement 4 new nets; \$600</i> <i>Girls soccer uniforms (white shorts have become see through and can't be used)\$1800</i> <i>12 new volleyball uniforms \$1200</i> <i>Girls uniforms are falling apart, especially where they pull them down along the bottom of the shirt after stretching to spike or reach for a ball.</i> <i>New volleyballs required each year Cost for 10 balls \$600</i></p>	<p><i>High school student athletes and their parents will be served and encouraged by this project.</i> <i>It is important that JCS maintain equipment and look sharp as many people from the community observe our teams and programs.</i></p>	<p><i>Athletic Equipment at JCS is carefully maintained to last many years. A resurgence in some sports have required additional spending and fundraising leaving limited funds for other programs</i></p>

<p><i>High School Faculty Computer Replacement</i> 4 laptops 1 desk top computer, keyboard, and mouse</p> <p>\$3700</p> <p>Lori Harshbarger 783-2658 lharsbarger@jacksonchristianschool.org</p>	<p><i>Upgrading 4 computers on HS campus for faculty use. 2 that are 10 year old desk tops and 2 where teachers are using their personal computers for school work. Replace 1 business office 10 year old desktop</i></p>	<p><i>Tim Barsuhn& Bible Classroom Teachers are using 10 year old desktop computers. (new Bible teacher will come in the fall, need to provide up to date computer) Andrew Steck and Cindy Rogers are using their personal computers for work. Business office, computer used by volunteers is 10 year old desk top. 4 teachers and volunteers will benefit</i></p>	<p><i>JCS makes computers last a long time. They are expected to be in service in some capacity for more than 8 years.</i></p>
<p><i>High School and Elementary Computers and Back-up server</i></p> <p>\$3545</p> <p>1 Lap top computer 1Desk Top computer 1 Server, software, mounting rack</p> <p>Lori Harshbarger 783-2658 lharsbarger@jacksonchristianschool.org</p>	<p><i>Replacement of one elementary laptop computer for teacher</i></p> <p><i>Desktop Computer for Front office to replace 10 year old computer</i></p> <p><i>Back- up server to be on standby as back up for both campuses.</i></p>	<p><i>Kindergarten teacher Teresa Jarrett is using an aging laptop. A new Smart board has been donated for her classroom which will require a new computer. HS front office computer is one of the oldest on campus is slow and problematic for front office staff. The school is in need of a back- up server in the event of a server crash we need to have a back-up system in place.</i></p>	<p><i>JCS makes computers last a long time. They are expected to be in service in some capacity for more than 8 years.</i></p>
<p><i>Interactive Smart Table</i></p> <p><i>\$3500 requested from 100 Women Who Care (\$2000 provide by Race for Education Funds)</i></p> <p>Aaron Metzcar 784-6161 ametzcar@jacksonchristianschool.org</p>	<p><i>Smart table for lower elementary classroom use. Interactive Smart tables provide a learning center for young children who learn best when they can be active and can touch what they are learning. Smart tables use technology similar to the Smart board which is used primarily by the teacher, smart tables are primarily for use by young students.</i></p>	<p><i>Lower elementary students primarily in 1st and 2nd grade will use this technology.</i></p>	<p><i>Smart Tables use sturdy materials and house the computer technology in the base of the table which is inaccessible by the students. They are made to last for many, many years</i></p>

<p><i>High School Gymnasium Improvement</i></p> <p>Replace walking mats at the gym entrance</p> <p>Paint and Plywood panels</p> <p>Cost: \$4,000</p> <p>jdolson@jacksonchristianschool.org</p>	<p>The gym is in need of some minor repairs and upgrades. Repairs include replacement of entry walking mats which are completely worn, re-painting entryway. Upgrades include adding painted wooden panels along the walls to protect the exposed insulation which is showing its age.</p>	<p>The gymnasium is used by both middle-school and high-school students. The facility houses physical education courses throughout the day and multiple practices and games throughout the week. The facility is also open on Sunday evenings for "open gym" for men from the community.</p>	<p>Our gymnasium facility is one of our show pieces and is the building that is seen by the most guests. The facility is well maintained but must be upgraded to continue to serve students needs and present a good testimony.</p>
<p><i>Elementary Library</i></p> <p>Add groups of books that elementary children use</p> <p>\$3,000 – \$8,000</p> <p>Aaron Metzcar 517 784-6161 ametzcar@jacksonchristianschool.org</p>	<p>Elementary children use the library often for enjoyment. The school requires the Accelerated Reading Program which encourages children to read topics of special interest on their own.</p> <p>The librarians have compiled a list of frequently requested topics for which we lack sufficient materials</p>	<p>Preschool – 5th grade students use books last for many, many years at JCS so current children as well as the next generation will benefit.</p>	<p>Books last for many, many years at JCS so current children as well as the next generation will benefit.</p>
<p><i>Band Instrument Replacement Project</i></p> <p>Phase I Replacement of most critical instruments</p> <p>Music Teacher: Andrew Steck 517 783 2658 asteck@jacksonchristianschool.org</p>	<p>Tuba \$3,800.00</p>	<p>6th – 12th Grade Band Students and their families. These instruments are typically owned by the school due to cost and size factors.</p>	<p>These instruments must be replaced to continue offering an outstanding band and music education experience. The school family benefits through outstanding concerts and competition results.</p>
