Jackson Christian School has been providing an excellent academic, social and spiritual education for 37 years. Our nearly 400 students and their families live and do business throughout the Jackson community. More than 90% of our graduates each year go on to excel in college and then in careers where they make a difference in their communities. **JCS relies completely on tuition income and fundraising efforts to accomplish our mission. No tax dollars are received by the school.**

Our 10th annual Royal Knight Auction is coming up very soon, on November 6th. The auction benefits the school's general fund and tuition assistance fund which helps make our tuition more affordable for families.

WE NEED YOUR HELP to accomplish our goals! A large variety of items, large and small, are needed from local and national businesses for a successful auction. Please consider donating an item or gift certificate from your business.

1. Your contribution is tax-deductible. Your donation is recorded on an Auction Contract, and a copy is provided for you to use for tax receipt purposes. (A copy is included with this letter)
2. **We promote businesses that donate** through our beautiful auction catalog and during the event so that each guest and school family is well aware of who helped to make it a success.
3. Support from the entire community pays dividends through the lives of well-disciplined young people who are prepared for the challenges of tomorrow.
4. Charity auctions are a lot of fun! If you would like to make reservations to attend our event, you can find information on our web site at www.jacksonchristianschool.org or contact the school for more information at (517) 783-2658. Reservations are \$35.00 per person. A portion of the cost is tax deductible.

All donations will be auctioned during the silent or live auction event, which takes place on Friday, November 6th on our high school campus. Jackson Christian School is grateful for your consideration. Please call Laura Pryor at (517) 783-2658 with any questions regarding our school, its mission and the charitable nature of this auction.

Thank you for your consideration!

Sincerely,

Jackson Christian School Auction Committee
