Jackson Christian Transportation Policies

- 1) Students must be ready for pickup at the stated times; Bus driver will not wait beyond the scheduled times.
- 2) If there is no one to pick up the student at the drop off location the student is required to stay on the bus. Elementary students will be returned to afterschool care on the elementary campus. Middle school and high school students will be returned to the high school campus to contact their parent/guardian.
- 3) All communication with the bus driver is handled through the school offices.
- 4) Students must be enrolled at school and complete a Bus Registration Form before being allowed on the bus. The bus driver will maintain a list of students registered to ride the bus.
- 5) Driver does not have authorization to allow any students on the bus for which they have no written authorization from a JCS principal.
- 6) Permission for occasional guest riders must be obtained in advance through a building principal. No exceptions.
- 7) Driver is only authorized to stop at the scheduled stops, no other stops are permitted.
- 8) All policies for conduct, behavior, dress code are the same as those stated in the Parent/Student Handbook. Additional student behavior expectations relating to riding the bus will be communicated with the students on the first day of school.
- 9) Elementary students boarding at the high school campus riding to the elementary campus in the morning must be accompanied by a parent until the bus arrives at 7:50 AM.

2011-12 Bus Route Fees

Financial Policies

- 1) Bus Transportation fees can be paid annually or monthly. Monthly Bus Transportation payments will be made through the FACTS system in conjunction with the normal tuition payment. Transportation payments begin with the September payment and end with the May payment. If choosing the Annual Payment Option, payment is due on or before September 20th.
- 2) JCS does not pro-rate bus transportation prices due to various student schedules and activities. Fees are assessed in whole month increments.
- 3) Families may choose to discontinue riding for one or more months. Fees will only be adjusted for the full month. For example, a student who plays a sport may choose to ride during the off season and not to ride when in a sport season.
