Start college without leaving your high school classroom

JCS University, Jackson Christian High School's unique dual enrollment program, removes the barriers to starting college early - it's simple to begin college before high school ends. **Now the state of Michigan will cover part, if not all, of the college dual enrollment cost!**

JCS faculty members, who are adjunct professors at Spring Arbor University, Baker College and Kendall College of Art and Design of Ferris State University, teach freshmen and sophomore level college courses during the school day. In fact three of our dual enrollment courses are required for graduation from JCS, which makes JCS University a true 2-for-1 opportunity. **Complete information is available from the JCS Counseling Office.**
