

Acceptable Use Policy Elementary Students

A networked computer account with Internet access is provided to all students at Jackson Christian School. The use of a computer, and its resources, must be in support of education and consistent with the purposes, curriculum and mission of Jackson Christian School.

Use of a computer is a privilege, not a right. Students must act responsibly when using a computer and abide by the Terms and Conditions for Use. Failure to do so will result in suspension of privileges, cancellation of privileges, disciplinary action and/or legal action. The Administration and teacher will decide what disciplinary action will be taken.

Terms and Conditions for Use:

1. I will follow the classroom rules of computer use as explained to me by my teacher(s).
2. I will never share my password, even with my best friend, or sign onto the computer with someone else's login/password.
3. I will treat all computer equipment with care and will not change the way a computer is set up to run.
4. I will be polite to others and respect their documents and files.
5. I will use the Internet for education only and access sites authorized by my teacher(s).
6. I will tell my teacher(s) right away if I come across a picture or information that makes me feel uncomfortable, or is not appropriate, and I will not invite other students to come and see it.
7. I will not give out my personal information or anyone else's personal information on the Internet.
8. I will follow the copyright laws that protect programs, data, books and pictures as explained to me by my teacher.
9. I will not install software from home or download, copy, or store any software, shareware or freeware without prior permission from my teacher, building principal or the Department of Media & Technology.

Parents/Guardians please note: In compliance with CIPA (Children's Internet Protection Act passed by Congress on 12/15/00) Internet filtering is in place for every networked computer in the school. It is impossible to control access to ALL material on the Internet. JCS firmly believes that the availability of valuable information and the potential for interaction on the Internet far outweigh the possibility that users may be exposed to material not consistent with the educational goals of Jackson Christian School.
