

Vision Statement

Jackson Christian School students will possess wisdom, knowledge and a Biblical worldview resulting in a lifestyle of Godly character, leadership, service, stewardship and worship.

Biblical Worldview Statement

A biblical worldview is the most important element of a Jackson Christian School education. We teach a biblical worldview in every classroom, in every discipline in every grade. Deuteronomy 6: 6-8 expresses the absolute importance of teaching our children biblically, where it says, "Write these commandments that I've given you today on your hearts. Get them inside of you and then get them inside your children. Talk about them wherever you are, sitting at home or walking in the street; talk about them from the time you get up in the morning to when you fall into bed at night. Tie them on your hands and foreheads as a reminder; inscribe them on the doorposts of your homes and on your city gates." The Message
