- Students in physical education classes need to have a dedicated, non-marking pair of athletic shoes.
- Student driven vehicles which have not been registered or updates that need to be made to your registration, must be done in the school office on the first day of school. Please display your permit in your vehicle at all times.
- Students should be documenting any Christian service they do in the summer to receive credit for their Bible class requirement.
- Parent-Student handbook is available on our website. This would be good for each parent and student to read this summer. 😊 (Technology Policy, Dress Code Guidelines, etc.)
- Class Supplies: A general list will be on the website. Specific supplies required by class or the teacher will be given the first week of school.
